

## YMCA Triangle Y Ranch

Our **lodges** offer privacy with just one family per room, all are heated, and have "home" thickness mattresses with a private bath.

Our **cabins** are scattered in many different areas of camp, and are placed in village settings. Clustered cabins share a main building with restrooms and showers. Each cabin has 14 beds, "camp" thickness mattresses, and based on registration, some families may share a cabin with other families.
